Karimnagar.

Respected sir,

Sub: Requisition to conduct Add on/Certification program on **"Data Visualization using Tableau"** for II, III and IV year I Sem students from 16th September 2019 to 04th October 2019-reg.

It is our pleasure to inform you that the department of CSE is planning to conduct Add-on/certification program on **"DATA VISUALIZATION USING TABLEAU"** for B.Tech II, III and IV Year I Sem CSE students from 16th September 2019 to 04th October 2019. To

The Principal,

Vaageswari College of Engineering

Respected Sir,

Sub: Requisition to get permission to conduct Certification Course on “**Artificial intelligence in power station**” in our Campus for our 02nd, 03rd, and 04th year Electrical and Electronics Engineering students from 13th Feb. 20 – 20th Feb. 20.

It is our privilege to inform you that we EEE Department is planning to conduct a Certification Course on “**Artificial intelligence in power station**” for our 02nd, 03rd, and 04th year Electrical and Electronics Engineering students from 13th Feb. 20 – 20th Feb. 20.

Machine learning and electrical engineering professionals leverage AI to build and optimize systems and also provide AI technology with new data inputs for interpretation. The main feature of power system design and planning is reliability, which were conventionally evaluated using deterministic methods. Moreover, conventional techniques don't fulfill the probabilistic essence of power systems.

This leads to increase in operating and maintenance costs. Plenty of research is performed to utilize the current interest AI for power system applications. A lot of research is yet to be performed to perceive full advantages of this upcoming technology for improving the efficiency of electricity market investment, distributed control and monitoring, efficient system analysis, particularly power systems which use renewable energy resources for operation.

In this connection we request you to consider our request and grant permission to conduct the above said program. Hoping you early response for this approval.

Thanking you Sir,
