#### ABOUT THE INSTITUTE:

Established in 2003, Vaageswari Educational Society is one of the most prestigious society providing high quality professional education in Karimnagar district of Telangana. The society is running multiple educational institutions like Vaageswari College of Engineering (2005), Pharmacy (2003), Pharmaceutical Sciences (2007), and Management Sciences (2008). The society was established with a great vision to provide quality education on par with global standards to the students from all over India in general and in particular those from local and rural areas. Society is maintaining high standards so as to make them technically competent and ethically strong individuals who shall be able to improve the quality of life and become an asset to the economy of our country. The Society not only celebrates freedom of thought, cultivates vision and encourages growth, but also inculcates human values and concern for the environment and the society. The institution is awarded with Best Chapter of ISTE AP Section.

#### VISION:

"To develop the Sree Vaageswari Educational Society into a center of excellence in imparting professional and technical education, to inculcate knowledge and power to the younger generation by providing high quality professional education on par with global standards and to instill high levels of discipline among student community making them ethically strong citizens capable of contributing to the development of society and mankind".

#### PROGRAMS OFFERED:

The college offers B.Tech programmes in CSE, EEE, ECE, Civil and Mechanical Engineering. The college also offers MCA and M.Tech in Computer Science and Engineering.

#### ABOUT THE DEPARTMENT:

The department of MBA was started in 2005 with an intake of 60 and in a short span of time the intake increased to 180.

The department comprises of well experienced and dedicated faculty with vast experience in teaching. The faculty members have been meticulously and judiciously picked up to impart quality education and inculcated all-round development in the Students. The department has well established labs with state of art hardware equipments and advanced software's.

The Department's main objective is not only make the students excel in theory but also in experimental research through academic projects in various fields. The Department regularly organizes several programs such as workshops, guest lectures, seminars etc. to impart state of art knowledge in different technologies to the students as well as faculty members. Department is dedicated to advancing, disseminating and exploiting knowledge in engineering and technology. The department offers a Two-year course a Master's degree in MBA. All employees can reach students for any of their problems, whether academic or non-academic. The department aims to technically develop students and make them mentally strong to meet future challenges. The department also seeks to provide its students with excellent educational and educational opportunities in the field of Business Management, thus providing a lasting technical basis in an environment of rapid technical change. In the process, it enables and promotes their professional growth through contact with best professional practices. Consequently, the administration is trying to play the role of resources and technical leadership in development activities at the national level.

## REPORT

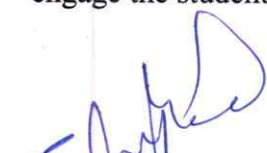

A five Day Faculty Development Program on **"OUTCOME BASED EDUCATION: PARADIGM SHIFT IN HIGHER EDUCATION"** was organized by Department of MBA, Vaageswari college of Engineering from 23<sup>rd</sup> to 27<sup>th</sup> August, 2021 for the faculty of MBA Department. Several faculty members of the college actively participated and gained useful information from all the sessions.

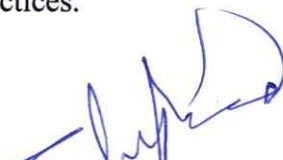

The program provided an opportunity to acquire knowledge about Framework of OBE for Higher Education Institutions, Restructuring Curriculum: Based on OBE; Learning Taxonomy and Program Objectives, Concept of Learning (Program Outcomes and Course Outcomes).

The program mainly focused on Mapping of POs and COs, Rubrics Creation, Attainment of POs, COs, Outcome Based Education in the context of Accreditation, Role of Technology in OBE, Student Engagement.

### **Outcomes of the Faculty Development Program:**

1. The participants gained Experience on how to map the Program Objectives (POs) and Course Objectives (COs) and Assessment Practices (Rubric Creation).
2. The participants also gained knowledge on how to attain the POs & COs.
3. Role of Technology in Outcome Base Education in the context of Accreditation and How to engage the students and Learning Practices.
