Beside L.M.D Police Station, Ramakrishna Colony, Thimmapur, Karimnagar

(Approved by AICTE New Delhi & Affiliated to JNTU Hyderabad)

Date: 01/09/2022

To
The Principal,
Vaageswari College of Engineering,
Karimnagar.

Subject: Request Proposal to Conduct Five day FDP on "Trends in Transportation Engineering"-Reg.

Respected Sir,

In Accordance to Subject cited above I, Head of the Department of Civil Engineering here with request with this letter to permit us to conduct a Five day Faculty Development Program on "Trends in Transportation Engineering" during 19th to 23rd September 2022. I also request you to provide all the required facilities.

Thanking You,

Yours Sincerely

HOD-Civil Engg.

Principal

Vaageswari College of Engineering
KARIMNAGAR-505 527.

About the Institute

The society was established by an eminent and educated personalities in the name of Goddess Sarasvathi Devi, Sree Vaageswari Educational Society during the year 2003 under the leadership of General Secretary Dr. G. Sreenivas Reddy Garu, who is a doctor in Ayurveda and a dedicated missionary and crusader in the field of education, is the spirit and force behind this reputed organization. The society was established with a crystal vision to produce professionals having scientific Intellect, innovation and Imagination.

About the Department

The Department of Civil Engineering at Vaageswari College of Engineering is producing high quality technical manpower needed to Industry, R&D organizations, and academic institutions since 2013 with an Intake of 60. The Intake has been increased to 120 in the year 2014.

Many of our students are placed in reputed companies like GMR, L&T, Aparna infrastructures, NCC, Navayuga, GVK, Lanco Infrastruct Limited, IVRCI infrastructures & projects Ltd, Indian army, Indian navy and many more. The academic activities of the department emphasize deep understanding of fundamental principles, development of creative ability to handle the challenge of civil engineering and the analytical ability to solve problems which are interdisciplinary in nature.

Department Vision

To Impart Knowledge and Excellence in Civil Engineering and Technology with Technical Competencies to meet the Current and Future Challenges.

Principal

Vaageswari College of Engineering
Karimnagar-505527

Department Mission

To provide state of the art infrastructure and resources that contributes to a congenial learning environment for students.

To make the department a centre of excellence in the field of Civil Engineering and allied research.

To promote innovative and original thinking in the minds of budding engineers to face the challenges of the future.

To produce Civil Engineers of high caliber, technical skills and ethical values to serve the society and nation.

About the FDP

Faculty Development program on "Trends in Transportation Engineering" by Eminent Persons from our Institute and develop novel solutions to the challenges happening across the world In various streams of civil and Infrastructural Engineering. This programme helps all the Professionals to tackle the present trends and develop new innovative methodologies to meet the approaching Challenges.

Resource Persons

Day: 1

Intelligent Transportation Systems and Sustainable Transportation

Mr.K.Rajesh, Assistant Professor

Day: 2

Electric and Sustainable Transportation

Mr.K.Rajesh, Assistant Professor

Day: 3

Urban Air Mobility (UAM)

Dr.KanteMallikarjuna Rao,

Associate Professor

Day: 4

Big Data and Predictive Analytics

Mr.R.Ganesh, Assistant Professor

Day: 5

Augmented Reality (AR) and Virtual Reality (VR) in Transportation Planning

Dr.KanteMallikarjuna Rao,

Associate Professor

Participants

All faculty, academicians and researchers in Department of Civil Engineering

Five-Day Faculty Development Program

Trends in Transportation Engineering

(19-09-2022 To 23-09-2022)

REPORT

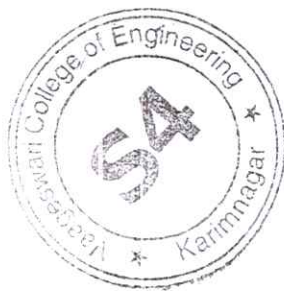

A five Day Faculty Development Program on “**Trends in Transportation Engineering**” was organized by Department of Civil Engineering, for the Faculty of Civil in Vaageswari college of Engineering from **19-09-2022 To 23-09-2022**. Most of the Faculty members of the department have been actively participated and gained useful information from all the sessions.

The program is designed to understand latest technologies which are used in the fields of Civil Engineering. The program had provided an opportunity to acquire knowledge about current technological developments in the field of latest innovations and design. The program mainly focused on **Trends in Transportation Engineering** usage in the civil construction management area, concrete usage etc.

Outcomes of the Faculty Development Program:

1. Enhanced Knowledge and Skills: Participants gain a deeper understanding of the latest trends, techniques, and innovations in geotechnical and transportation engineering.
2. Updated Curriculum: Educators and professionals may revise their course curricula to incorporate the latest industry trends and technological advancements.

ACTION TAKEN

The organizing committee has taken a decision to conduct the upcoming Faculty Development Programmes in a very effective and efficient manner. The committee also decided to invite speakers from very reputed organizations. It has been decided to make the programmes more of practical oriented by conducting hands-on sessions to the participants by providing Laboratory Visits and also various Design tools pertaining to ITS and IOT Technologies.

ABOUT FDP:

This FDP aims at providing a forum for members of the academic community, to interact on cutting-edge and ground breaking topics in Auto cad objectives:

•The primary aim of the "Soft Computing Techniques in Civil Engineering" Faculty Development Program (FDP) is to empower faculty members with advanced knowledge and skills essential for the effective application of soft computing techniques in the field of civil engineering. Soft computing, encompassing fuzzy logic, neural networks, genetic algorithms, and swarm intelligence, offers innovative approaches to solving complex engineering problems that involve imprecision, uncertainty, and partial truth.

This FDP seeks to introduce participants to the fundamentals of soft computing and its diverse applications in areas such as structural analysis, geotechnical engineering, transportation engineering, and environmental engineering. Through hands-on training, case studies, and best practices, the program aims to equip faculty members with practical insights into implementing soft computing techniques for problem-solving, decision-making, and optimization in civil engineering design.

ABOUT THE INSTITUTE:

Vaageswari College of Engineering- The society was established by an eminent and educated personalities in the name of Goddess Saraswathi Devi. Sree Vaageswari Educational Society (SVES) during the year 2003 under the leadership of General Secretary Dr. Gandra Sreenivas Reddy Garu, who is a doctor in Ayurveda and a dedicated missionary and crusader in the field of education, is the spirit and force behind this reputed organization. The society was established with a crystal vision to produce professionals having scientific intellect, innovation and imagination.

To be among the best of the institutions for engineers and technologists with attitudes, skills and knowledge and to become an epicentre of creative solutions. To achieve and impart quality education with an emphasis on practical skills and social relevance.

Principal
Vaageswari College of Engineering
KARIMNAGAR-505 527:

ABOUT THE DEPARTMENT

The Department Of Civil Engineering at Vaageswari College of Engineering is producing high quality technical manpower needed to industry, R&D organizations and academic institutions since 2013 with an intake of 60. The intake has been increased to 120 in the year 2014.

DEPARTMENT VISION:

Vision is to become school of excellence that brings out civil engineers with technical competencies and promotes high-end research to meet the current and future challenges. To establish an outstanding centre of regional for providing a quality engineering education to the students from the rural area, excellent research and services to the professional and the community, to produce quality employee principles of continual quality improvement to enhance its programme and faculty.

DEPARTMENT MISSION:

Provide value based technical education and empower the students to become competent professionals, preparing them for entry level positions in department, life-long learning and societal leadership. Allied with both the school of engineering and the college's mission. The department is dedicated to providing a dynamic learning environment that emphasizes open ended design, problem-solving skills, team work, communication, and leadership skills.

FEEDBACK

Name of the Participant: Gaddam Pupa

Designation: Asst. prof

Please respond to the following items by using the scale below:

5=Excellent 4=Very Good 3=Good 2=Fair 1=Poor

1. The speakers presented materials clearly and concisely.

5 4 3 2 1

2. The speakers covered the material sufficiently.

5 4 3 2 1

3. The information presented was relevant to your needs and expectations.

5 4 3 2 1

4. Sufficient opportunity was provided for questions.

5 4 3 2 1

5. You were pleased with the presentations.

5 4 3 2 1

A Five-Day Faculty Development Program

Soft computing techniques in Civil Engineering (06-03-2023 To 10-03-2023)

REPORT

A FiveDay Faculty Development Program on "Soft computing techniques in Civil Engineering " was organized by Department of Civil Engineering, for the Faculty of Civil in Vaageswari college of Engineering from 06-03-2023 To 10-03-2023 .Most of the Faculty members of the Department have actively participated and gained useful information from all the sessions.

The FDP emphasizes the application of advanced data analytics and intelligent transportation systems, empowering professionals to contribute to the development of resilient and efficient transportation networks.

Outcomes of the Faculty Development Program:

1. Enhanced Knowledge and Computing Skills: Participants gain a deeper understanding of the latest trends, techniques, and innovations in Soft Computing Industry.
2. Updated Curriculum: Educators and professionals may revise their course curricula to incorporate the latest industry trends and technological advancements.

Sufficient opportunity was provided for Questions

ACTION TAKEN

The organizing committee has taken a decision to conduct the upcoming Faculty Development Programmes in a very effective and efficient manner. The committee also decided to invite speakers from very reputed organizations. It has been decided to make the programmes more of practical oriented by conducting hands-on sessions to the participants by providing various Soft Computing tools like ANN, Fuzzy Logic and Genetic Algorithms etc., in a clear perspective.
