PRINCIPAL

Principal
Vaageswari College of Engineering
KARIMNAGAR.

Institution shows gender sensitivity in providing facilities such as:

- a) Safety and security
- b) Counseling
- c) Common Rooms
- d) Day care center for young children
- e) Any other relevant information

Response:

VGSE gives the highest priority on ascertaining the safety and security of the female students, faculty and other employees. It also provides facilities like common room and counseling services as it believes supportive, safe and conducive environments are critical to one's growth.

Safety & Security:

- The institute has taken the following safety & security measures
- Security Guards at the main gate allow the persons only if they have proper ID proof and reason. In addition, security guards around the campus keep a vigilant eye to ensure the safety and security of the students.
- Constitutional committees like Anti-ragging committee, Grievance Redressal Committee and Anti sexual harassment committee are constituted and as per the guidelines and there have been functioning actively to ensure the safety and security of the students.
- In the campus, CCTV Cameras are installed at different locations to ensure the safety and security of the students.
- Do's and Don'ts are displayed in each laboratory and students are briefed on safety precautions to.
- Separate hostels for girls and boys with good security are provided.
- Separate Sick room for girl students with required facilities.
- Students are counseled on stress and anger management.

COUNSELLING:

- Active counseling system followed in the institution provides effective counseling to the students, including gender sensitive issues.
- The girls are encouraged through counseling to participate in various activities like Cultural events, NSS, Sports, training sessions, etc. as per their comfort and interests.
- The Institution has a well defined student mentoring system for all the programs starting from the first semester. The main objective of mentoring is to help each student in taking right decisions for their academic and personal growth.
- In addition, mentoring will help to boost student's morale and improve their learning abilities. Each faculty who mentors the student tries to help the individual regarding their academic and personal issues.
- The Women's Empowerment Cell conducts many Women's development programs to encourage and boost the confidence of the girl's students.

Counseling room

VGSE provide academic, stress –related and personal counseling and female students and these issues are closely monitored by mentors assigned to students (mentees)

HEALTH CARE

The health care unit caters any student round the clock. The College has a doctor who visits the institution. The College also has a provision of first-aid treatment in the medical care room / dispensary room in emergency situations.

There are Multi-specialty hospitals & other small hospitals within ten kilometers Range. All those hospitals have Ambulance Facility. The response time of those ambulances is about fifteen minutes. Apart from it, the college transportation department has its own medical van which will be used in emergency situations to take the student/staff patients assisted by the staff to the nearby hospitals.

Sick room with bed facility

The College has a health care centre with one bed facility.
