The Earn While You Learn program is encouraged along with the regular academic sessions for Students. The program focuses on personal development. This practice is followed to motivate students and develop confidence to take up challenging tasks in their life. In Vaageswari College of Engineering we observed that students have a peculiar background and level of motivation when entering college. Students need a set amount of time to break out of their shells.

4. The Practice

The different types of schemes and opportunities we provide students during or Off the academic semester.

1. Website designing and developments.
2. Education based you tube channels.
3. Tutor talents.
4. Flexi wall poster designs.

Earn while learn program provides opportunities to the students to earn while they are learning through part-time jobs. Instead of going for regular studies of graduation and post- graduation, students prefer to go in for short term professional courses so that they start earning at a young age.

Earning while learning refers to a structured program that allows students to engage in part time work or internships related to their field of study while concurrently pursuing their academic courses.

Some students initially said that they had financial problems & their needs need to full fill. The consultant gave him a hard time to work towards the activities assigned to them Managing time is a huge challenge for Earn While You Learn also explains how to manage time for both academics and non- academics.

We motivate the students to develop the connection with outside world to improve the leadership quality and communication skills by presenting their ideology. And also we encourage students to set their appropriate goals to lead the better life in future.

5. Evidence of success:

There are several methods of evidences teaching online that can earn money while learning. Online tutoring you can become an online tutor and teach students through video conferencing. This is a great way to earn money while helping students learn.

Earn while you learn is an important concept invented to give an opportunity to the school or college going students to become self dependent. This is really a helpful concept to the thousands of students who's parents are not able to pay the fees of students because of their low income.

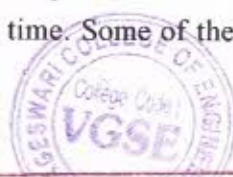

You can find scholarships and grants, take on student loans, or work during your studies. Make sure you are prepared for the financial commitment whichever route you choose. Scholarships and grants are the most common way to finance your higher education.

Budgeting becomes a crucial skill in college life, helping students navigate expenses like tuition, housing, and every day costs while preventing overspending and financial stress. Improved financial literacy also has the power to significantly boost your ability to accumulate wealth over time.

The Vaageswari College of Engineering has taken as a challenge to understand the students with personal care. Many parents have also given permission for supporting their wards throughout their journey, training them to being a responsible citizen.

6. Problems Occurred & Resources Required:

The program has been modified over time. Some of the problems in the initial stages are as follows.
