PROCEEDINGS OF THE MEETING

It is recommended to monitor the students and make them attend to classes regularly and to follow the updated teaching methods. It is suggested to all the Teaching staff to attend for Faculty Development Programs and update their teaching skills in the respective core subjects. Further according to the necessity of the industry it is made to increase more number of teaching hours for betterment of Communication skills. Finally it is also made to note that number of technical classes should be increased for the final year students Suggestion: It is suggested in the meeting to follow the above strategies regularly and maintain standard based procedures and create awareness on environmental issues
