SREE VAAGESWARI EDUCATIONAL SOCIETY  
**VAAGESWARI COLLEGE OF ENGINEERING**

(Affiliated to JNTUH, Hyderabad.)

(Approved by AICTE New Delhi & Recognised by the Govt. of Telangana State)

Date: 29/08/2017

To  
The Principal,  
Vaageswari College of Engineering,  
Karimnagar.

**Subject:** Request Proposal to Conduct Five day FDP on "**Behavior of Structural Systems-  
Bridging the gap between Theory and Real Practices**"-Reg.

Respected Sir,

In Accordance to Subject cited above I, Head of the Department of Civil Engineering here with request with this letter to permit us to conduct a Five day Faculty Development Program on "**Behavior of Structural Systems-Bridging the gap between Theory and Real Practices**" during **06-09-2017 to 10-09-2017**. I also request you to provide all the required facilities.

Thanking You,

Yours Sincerely

  
HOD-Civil Engg.

*Permitted*  

Principal  
Vaageswari College of Engineering  
KARIMNAGAR 505 481.

  
Principal  
Vaageswari College of Engineering

(Affiliated to JNTUH, Hyderabad.)  
(Approved by AICTE New Delhi & Recognised by the Govt. of Telangana State)

**CIRCULAR**

Date: 01-09-2017

It is hereby informed to Department of Civil Engineering that a five-day Faculty Development Program will be held on **"Behavior of Structural Systems-Bridging the gap between Theory and Real Practices"** from 6<sup>th</sup> to 10<sup>th</sup> Sept 2017. All the teaching and non-teaching members should avail this opportunity to upgrade the technical skills.

Hence, all teaching and non-teaching members should attend the above FDP program without fail.

  
**PRINCIPAL**

**Organizing Committee**  
Mr. R. Ganesh, Assistant professor  
Mr. V. Santosh, Assistant professor  
Mr. Ch. Swagath, Assistant professor  
Mr. S. Arun Kumar, Assistant professor

### About the Institute

The society was established by an eminent and educated personalities in the name of Goddess Saraswathi Devi, Sree Vaageswari Educational Society during the year 2003 under the leadership of General Secretary Dr. G. Sreenivas Reddy Garu, who is a doctor in Ayurveda and a dedicated missionary and crusader in the field of education, is the spirit and force behind this reputed organization. The society was established with a crystal vision to produce professionals having scientific Intellect, innovation and Imagination.

### About the Department

The Department Of Civil Engineering at Vaageswari College of Engineering is producing high quality technical manpower needed to Industry, R&D organizations, and academic institutions since 2013 with an Intake of 60. The Intake has been increased to 120 in the year 2014.

### Department Vision

Vision is to become school of excellence that brings out civil engineers with technical competencies and promotes high-end research to meet the current and future challenges. To establish an outstanding centre of regional for providing a quality engineering education to the students from the rural area, excellent research and services to the professional and the community, to produce quality, employee principles of continual quality improvement to enhance its programme and faculty.

*Principal*  
Vaageswari College of Engineering  
VARIIMNAGAR 505 481.

#### Department Mission

Striving to be centre of excellence in civil engineering education to provide students the latest learning techniques and a complete knowledgebase for sustainable development of society. To be an outstanding devoted to provide high end research and technical education which will produce socially aware professionals to provide solutions to global community.

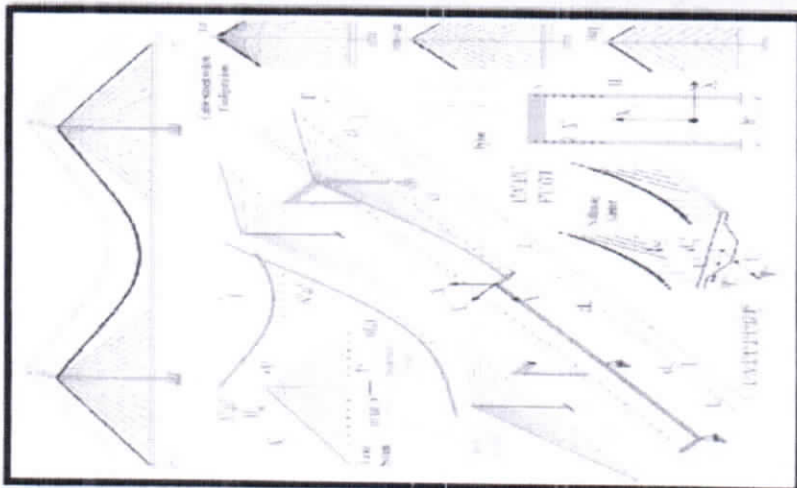

Provide value based technical education and empower the students to become competent professionals, preparing them for entry-level positions in department, life-long learning, and societal leadership. Allied with both the school of engineering and the college's mission. The department is dedicated to provide a dynamic learning environment that emphasizes open ended design, problem-solving skills, team work, communication, and leadership skills.

#### About the FDP

Faculty Development programme on **Behaviour of Structural Systems Bridging the gap between Theory and real practices** by Eminent Persons from various Organizations aims to understand and develop novel solutions to the challenges happening across the world in various streams of civil and Infrastructural Engineering. This programme helps all the Professionals to tackle the present trends and develop new innovates methodologies to meet the approaching Challenges.

#### Expected Outcome

1. To bring awareness in latest Technologies in engineering problems.
2. To predict changing trends in civil and Infrastructural engineering.

#### REGISTRATION FORM

Please fill this form and send it to us by email to [vaageswaricivil@gmail.com](mailto:vaageswaricivil@gmail.com) before 5<sup>th</sup> Sept 2017

**SPEAKER PROFILES**

**Mr. M.A. Haleem, Associate Professor**

**Mr. M.A. Haleem** completed his M.Tech from Jawaharlal Nehru Technological University, Hyderabad. Currently he is working as an Associate Professor and Head of Department of Civil Engineering at Vivekananda Institute of Technology & Science, Karimnagar. His research interests include Structural Engineering, Concrete Technology and Composite materials.

**Mr. P. Praveen Chary, Assistant Professor**

**Mr. P. Praveen Chary** completed his M.Tech from Jawaharlal Nehru Technological University, Hyderabad. Currently he is working as an Assistant Professor at Kamala Institute of Technology & Science. His research interests include Earthquake Resistant Design of Reinforced Concrete Structures.

**Mr. Gulam Quadar, Assistant Professor**

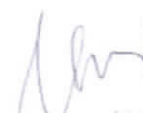

**Mr. Gulam Quadar** completed his M.Tech from Jawaharlal Nehru Technological University, Hyderabad. Currently he is working as an Assistant Professor at Jayamukhi Institute of Technological Sciences, Narsampet, Warangal. His research interests include Design in High rise Buildings.

**Ms.V. Haripriya, Assistant Professor**

**Ms.V. Haripriya** completed her M.Tech from Jawaharlal Nehru Technological University. Currently she is working as an Assistant Professor at Vaageswari College of Engineering. Her research of interests includes Transportation Engineering.

**Mr.V.Mahesh, Assistant Professor**

**Mr.V.Mahesh.** completed his M.Tech from Jawaharlal Nehru Technological University. Currently he is working as an Assistant Professor at Vaageswari College of Engineering. His research interests include use of recycled materials in concrete.

Five-Day Faculty Development Program  
**BEHAVIOR OF STRUCTURAL SYSTEMS-BRIDGING THE  
GAP BETWEEN THEORY AND REAL PRACTICES**  
(6<sup>th</sup> to 10<sup>th</sup> September 2017)

**REPORT**

A five Day Faculty Development Programme on “**Behaviour of Structural Systems- Bridging the gap between Theory and real practices**” was organized by Department of Civil Engineering, in Vaageswari college of Engineering from 6th to 10th September 2017. Several faculty members of the Department actively participated and gained useful information from all the sessions.

The program is designed to design loading seismic loading positions and working with the loads in critical conditions. The program provided knowledge on advanced composites in bridge construction and repair Design. The program mainly focuses on the Real time Problems in construction and Maintenance of Bridges.

**Outcomes of the Faculty Development Program:**

1. The participants gained hands-on experience of how to work in design of Bridges.
2. The participants acquired knowledge on design, fabrication and erection of prefabricated bridge elements and system.
3. The participants gained experience in Fabrication of steel Bridges and Best practice in Design of Bridges.

**Subject:** Request Proposal to Conduct Five day FDP on "**Concrete Mix design and its proportioning as per IS Codes**"-Reg.

Respected Sir,

In Accordance to Subject cited above I, Head of the Department of Civil Engineering here with request with this letter to permit us to conduct a Five day Faculty Development Program on "**Concrete Mix design and its proportioning as per IS Codes**" during **05-02-2018 to 09-02-2018**. I also request you to provide all the required facilities.

Thanking You,

Yours Sincerely

*About the Institute*

The society was established by an eminent and educated personalities in the name of Goddess Saraswathi Devi. Sree Vaageswari Educational Society during the year 2003 under the leadership of General Secretary Dr. G. Sreenivas Reddy Garu, who is a doctor in Ayurveda and a dedicated missionary and crusader in the field of education, is the spirit and force behind this reputed organization. The society was established with a crystal vision to produce professionals having scientific Intellect, innovation and Imagination.

*About the Department*

The Department of Civil Engineering at Vaageswari College of Engineering is producing high quality technical manpower needed to Industry, R&D organizations, and academic institutions since 2013 with an Intake of 60. The Intake has been increased to 120 in the year 2014.

*Department Vision*

Vision is to become school of excellence that brings out civil engineers with technical competencies and promotes high-end research to meet the current and future challenges. To establish an outstanding centre of regional for providing a quality engineering education to the students from the rural area, excellent research and services to the professional and the community, to produce quality, employee principles of continual quality improvement to enhance its programme and faculty.

### Department Mission

Striving to be centre of excellence in civil engineering education to provide students the latest learning techniques and a complete knowledgebase for sustainable development of society. To be an outstanding devoted to provide high end research and technical education which will produce socially aware professionals to provide solutions to global community.

Provide value based technical education and empower the students to become competent professionals, preparing them for entry-level positions in department, life-long learning, and societal leadership. Allied with both the school of engineering and the college's mission. The department is dedicated to provide a dynamic learning environment that emphasizes open ended design, problem-solving skills, team work, communication, and leadership skills.

### About the FDP

Faculty Development programme on "Concrete Mix design and its proportioning as per IS Codes" from 5th Feb' 2018 to 9th Feb' 2018 by eminent persons from our Organization aims to understand and develop novel solutions to the challenges happening across the world in various streams of civil and Infrastructural Engineering. This programme helps all the Professionals to tackle the present trends and develop new innovates methodologies to meet the approaching Challenges.

### Expected Outcome

1. To bring awareness in latest Technologies in engineering problems.
2. To predict changing trends in civil and Infrastructural engineering

**Department of Civil Engineering**  
**A Five-Day Faculty Development Program**  
**CONCRETE MIX DESIGN AND ITS**  
**PROPORTIONING AS PER IS CODES**  
**(5th to 9th Feb 2018)**

**REPORT**

A Five Day Faculty Development Program on "Concrete Mix design and its proportioning as per IS Codes" was organized by Department of Civil Engineering, for the Faculty of Civil in Vaageswari college of Engineering from 5th to 9th Feb '2018. Most of the Faculty members of the Department have actively participated and gained useful information from all the sessions.

The programme is designed to Latest Technologies which are used in the Field of Civil Engineering. The programme had provided an opportunity to acquire knowledge about current technological developments in the field of Latest Innovations and Design. The programme mainly focused on "Concrete Mix design and its proportioning as per IS Codes" usage in the civil construction mix grade concrete usage etc.

**Outcomes of the Faculty Development Program:**

1. The participants gained hands-on experience of when and where to use modular construction mix grade concrete types and techniques.
2. The participants also gained knowledge on design of mix grade concrete and usage of materials including admixers
3. In construction of sky scrapper or high raised buildings mix grade concrete design.

#### **FDP CONTENT:**

This FDP aims at "Business Intelligence & Big Data Analytics" course provides practical foundation level training that enables immediate and effective participation in Business Intelligence and Big Data Analytics and other projects. It includes Big Data and the Data Analytics lifecycle to address business challenges that leverage big data.

The course provides in basic and advanced analytic methods and an introduction to big data analytics technology and tools, including Map Reduce and Hadoop.

This course consists of topics related to data warehousing and Business Intelligence along with demos and hands on experiments related to Analytics tools.

#### **PROGRAMME CONTENT**

- Business Intelligence Overview
- Fundamentals of Data Warehousing
- Data pre-processing
- Dimensional modeling
- Online Analytical Processing
- Data Generalization methods
- Data Cube Computation
- Data Warehouse Administration
- Implementation and Maintenance issues of Data Warehouse
- BI Architecture and implementation
- Advanced BI
- Business performance Management
- Data Analytics

VAAGESWARI COLLEGE OF ENGINEERING

Karimnagar, Telangana- India

6<sup>th</sup> -10<sup>th</sup> February, 2018

Principal

Vaageswari College of Engineering  
KARIMNAGAR-505 527.

#### ABOUT THE INSTITUTE:

Established in 2003, is one of the most prestigious society providing high quality professional education in Karimnagar district Telangana. The society is running multiple educational institutions like Vaageswari College of Engineering (2005), Pharmacy (2003), Pharmaceutical Sciences (2007) and Management Sciences (2008). The society was established with a great vision to provide quality education on par with global standards to the students from all over India in general and in particular those from local and rural areas. Society is maintaining high standards so as to make them technically competent and ethically strong individuals who shall be able to improve the quality of life and become an asset to the economy of our country. The Society not only celebrates freedom of thought, cultivates vision and encourages growth, but also inculcates human values and concern for the environment and the society. The institution is awarded with Best Chapter of ISTE AP Section.

#### VISION:

"To develop the Sree Vaageswari Educational Society into a center of excellence in imparting professional and technical education, to inculcate knowledge and power to the younger generation by providing high quality professional education on par with global standards and to instill high levels of discipline among student community making them ethically strong citizens capable of contributing to the development of society and mankind".

#### PROGRAMS OFFERED:

The college offers B.Tech. programmes in CSE,EEE, ECE, Civil and Mechanical Engineering. The college also offers MCA, MBA and M.Tech. in Computer Science and Engineering.

#### ABOUT THE DEPARTMENT:

The Department of Computer Science and Engineering was established in the year 2005 with an intake of 60 students in B.Tech.

The intake currently is 120 in B.Tech. (CSE) Program. The department is also successfully running post graduate program M.Tech. (Computer Science and Engineering) with an intake of 36.

Computer Science and Engineering department is now home to several eminent and new faculty members, having rich experience in academics, industry and R&D.

The Computer Science and Engineering (CSE) department is dedicated in imparting quality education through well-designed and periodically upgraded curriculum in tune with the challenging software needs of the industry.

The Department's main objective is not only make the students excel in theory but also in experimental research through academic projects in various fields.

The Department regularly organizes several programs such as workshops, guest lectures, seminars etc. to impart state of art knowledge in different technologies to the students as well as faculty members.

Department is dedicated to advancing, disseminating and exploiting knowledge in engineering and technology

All employees can reach students for any of their problems, whether academic or non-academic. The department aims to technically develop students and make them mentally strong to meet future challenges. Consequently, the administration is trying to play the role of resources and technical leadership in development activities at the national level.

**INVITATION LETTER**

To,

Dr.B.Vishnu Vardhan,

Assistant Professor,

Department of Computer Science and Engineering,

University College of Engineering, Kakatiya University,

Warangal-506009.

**Sub:** Invitation to be a resource person for five day Faculty Development Program on “**Data Warehousing and Business Intelligence**”-regarding.

Dear Sir,

On behalf of Vaageswari College of Engineering, I cordially invite you to deliver a lecture on **Data Warehousing and Business Intelligence** which will be held from **6<sup>th</sup> to 10<sup>th</sup> February 2018**. I would be thankful if you share your expertise on the topic with our faculty.

I will be eagerly looking forward to hear from you and hope that you would accept our invitation for the event.

**SPEAKER PROFILES**

**Dr.B.Vishnu Vardhan** completed Ph.D from Kakatiya University, Warangal. Currently he is working as an Assistant Professor at Kakatiya University, Warangal. His research interests include Cloud Computing and Data Mining.

**Dr.B.Manjula** completed her Ph.D from Kakatiya University. Currently she is working as an Associate Professor & HOD Dept. of CSE at Kakatiya University, Warangal. Her research interests include Information science.

**Mr. S. Sateesh Reddy** completed his M.Tech from Jawaharlal Nehru Technological University. Currently he is working as an Associate Professor at Vaageswari College of Engineering. His research interests include Internet of Things.

**Mrs. A. Anusha** completed her M.Tech from Jawaharlal Nehru Technological University. Currently she is working as an Assistant Professor at Vaageswari College of Engineering. Her research interests include Data Mining and Wireless Sensor Networks.

**Mrs. Y. Susheela** completed her M.Tech from Jawaharlal Nehru Technological University. Currently she is working as an Assistant Professor at Vaageswari College of Engineering. Her research interests include Data Mining and Software Engineering.

Five- Day Faculty Development Program  
**DATA WAREHOUSING & BUSINESS INTELLIGENCE**  
(06/02/2018 to 10/02/2018)

**REPORT**

Five Day faculty Development Program on “Data Warehousing & Business Intelligence” was organized by CSE Department, Vaageswari college of Engineering from 6<sup>th</sup> to 10<sup>th</sup> Feb 2018 for the faculty of CSE Department.

This FDP set objectives to train the faculty to teach the course with deeper understanding of all the concepts with gained practical exposure. Rich experience of the coordinators will make the participants to feel the difference. This FDP aims practical foundation level training that enables immediate and effective participation in Business Intelligence and Data Mining.

**PROGRAMME OUTCOMES**

- Business Intelligence Overview
- Fundamentals of Data Warehousing
- Data pre-processing
- Dimensional modeling
- Online Analytical Processing
- Data Generalization methods
- Data Cube Computation
- Data Warehouse Administration
- Implementation and Maintenance issues of Data Warehouse
- BI Architecture and implementation
- Advanced BI
- Business performance Management
- Data Analytics

#### **FDP CONTENT:**

With the increasing adoption and usage of internet and enabled services Cyber attacks are huge danger to organizations, employees and consumers. Awareness about threat of cyber attacks and effective cyber security solutions are need of the hour.

Cyber security deals with the state of being protected against criminal and unauthorized use of electronic data. A strong cyber security system reduces risk of cyber-attacks and protects organizations and individuals digital presence.

The aim of this FDP is to promote awareness of cyber security, applications of cyber security and learn skills required for the Cyber security profession and research dimensions.

The sessions include security issues, make faculties understand importance of these aspects in real life scenarios and practice tools required for cyber security. It also familiarizes faculties with various laws related to cyber security and cybercrimes.

#### **PROGRAMME CONTENT**

- Data Scanning and Penetration Testing Tools
- Web Penetration Testing
- Network Penetration Testing
- Block chain and Mobile Penetration Testing
- Data Forensics

## **FIVE-DAY FACULTY DEVELOPMENT PROGRAM ON CYBER SECURITY**

Organized by

**Department of Computer Science and  
Engineering**

**VAAGESWARI COLLEGE OF  
ENGINEERING**

**Karimnagar, Telangana- India**

**22<sup>th</sup> to 26<sup>th</sup> May, 2018**

#### ABOUT THE INSTITUTE:

Established in 2003, is one of the most prestigious society providing high quality professional education in Karimnagar district Telangana. The society is running multiple educational institutions like Vaageswari College of Engineering (2005), Pharmacy (2003), Pharmaceutical Sciences (2007), and Management Sciences (2008). The society was established with a great vision to provide quality education on par with global standards to the students from all over India in general and in particular those from local and rural areas. Society is maintaining high standards so as to make them technically competent and ethically strong individuals who shall be able to improve the quality of life and become an asset to the economy of our country. The Society not only celebrates freedom of thought, cultivates vision and encourages growth, but also inculcates human values and concern for the environment and the society. The institution is awarded with Best Chapter of ISTE AP Section.

#### VISION:

"To develop the Sree Vaageswari Educational Society into a center of excellence in imparting professional and technical education, to inculcate knowledge and power to the younger generation by providing high quality professional education on par with global standards and to instill high levels of discipline among student community making them ethically strong citizens capable of contributing to the development of society and mankind".

#### PROGRAMS OFFERED:

The college offers B.Tech. programmes in CSE, EEE, ECE, Civil and Mechanical Engineering. The college also offers MCA, MBA and M.Tech. in Computer Science and Engineering.

#### ABOUT THE DEPARTMENT:

The Department of Computer Science and Engineering was established in the year 2005 with an intake of 60 students in B.Tech.

The intake currently is 120 in B.Tech. (CSE) Program. The department is also successfully running postgraduate program M.Tech. (Computer Science and Engineering) with an intake of 36.

Computer Science and Engineering department is now home to several eminent and new faculty members, having rich experience in academics, industry and R&D.

The Computer Science and Engineering (CSE) department is dedicated in imparting quality education through well-designed and periodically upgraded curriculum in tune with the challenging software needs of the industry.

The Department's main objective is not only make the students excel in theory but also in experimental research through academic projects in various fields.

The Department regularly organizes several programs such as workshops, guest lectures, seminars etc. to impart state of art knowledge in different technologies to the students as well as faculty members.

Department is dedicated to advancing, disseminating and exploiting knowledge in engineering and technology

All employees can reach students for any of their problems, whether academic or non-academic. The department aims to technically develop students and make them mentally strong to meet future challenges. Consequently, the administration is trying to play the role of resources and technical leadership in development activities at the national level.

#### REGISTRATION FORM:

Please fill this form and send it to us by email to [vgse.csehod@gmail.com](mailto:vgse.csehod@gmail.com) before 18<sup>th</sup> May 2018

**INVITATION LETTER**

To,

Dr. B. Sreedhar,

Professor,

Department of Computer Science and Engineering,

Sreenidhi Institute of Science and Technology,

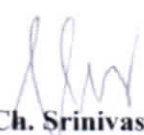

Ghatkesar, Hyderabad-501301.

**Sub:** Invitation to be a resource person for five day Faculty Development Program on "**Cyber Security**"-regarding.

Dear Sir,

On behalf of Vaageswari College of Engineering, I cordially invite you to deliver a lecture on **Cyber Security** which will be held from **22<sup>nd</sup> to 26<sup>th</sup> May 2018**. I would be thankful if you share your expertise on the topic with our faculty.

I will be eagerly looking forward to hear from you and hope that you would accept our invitation for the event.

**SPEAKER PROFILES**

**Prof. SSVN Sharma** completed his Ph.D from Kakatiya University. He worked as a professor at Kakatiya University, Warangal. His research interests include Network Security.

**Dr. B. Sridhar**, completed his Ph.D from Jawaharlal Nehru Technological University. Currently he is working as a Professor at Srinidhi Institute of Technology and Science, Hyderabad. His research interests include Web Machine Learning.

**Dr. K. Babu Rao**, completed his M.Tech from Jawaharlal Nehru Technological University. Currently he is working as an Associate Professor at Vaageswari College of Engineering. His research interests include Software Engineering.

**Mrs. Y. Susheela** completed her M.Tech from Jawaharlal Nehru Technological University. Currently she is working as an Assistant Professor at Vaageswari College of Engineering. Her research interests include Data Mining and Software Engineering.

**Mr. K. Sreedhar Reddy**, completed his M.Tech from Jawaharlal Nehru Technological University. Currently he is working as an Associate Professor at Vaageswari College of Engineering. His research interests include Wireless Networks, Network Security and Mobile Commerce.

**Department of Computer Science Engineering**  
**A Five-Day Faculty Development Program**  
**CYBER SECURITY**  
(22/05/2018 to 26/05/2018)

**REPORT**

The aim of this program is to promote research aspects in internet security, familiarize with tools available for network scanning (anti-virus, anti-spam and anti-spyware scans), identify and synthesize needs for internet security techniques (firewall, honeypots etc.), share information and practical awareness for data and system protection from cyber-attacks (prevent, detect and respond) etc.

The FDP will start with an overview of cyber security, information security and cryptography aspects to help the audience understand importance of these aspects in real life scenarios. This FDP is planned into two parts: technical session and hands-on session. The technical session part of the FDP will focus on the most challenging contemporary issues in cyber security (cyber threat, cyber incidents, cyber threat sharing, cyber technology evolution etc.), data science (collection, analysis and visualization) and cryptography.

The hands-on session part will extend the discussion to address the practical evaluation of security tools and techniques, machine learning for data analysis and data forensics, and implementation of cryptography primitives and protocols. After each session, a small group breakout session will be conducted where key topics from the current session are addressed with participants helping identify recent trends and research gaps. At the end of FDP, summary of key findings and takeaways will be presented.

**Day 1: Data Scanning and Penetration Testing Tools**

- Overview of Cybersecurity, its security architectures, and security implications and adoption of evolving technology.
- Wireshark: installation, data scanning, command based executions, data capturing, Python programming for captured data analysis, Tshark, running tcpdump, dumpcap, Monitoring cyber-attacks (DoS, DDoS, Port Scanning, Phishing, web vulnerabilities, encrypted traffic, malware attack), I/O graphs, anomaly detection, traffic issues etc.
- NMAP: scanning smaller to larger networks, scanning servers, running existing scripts, privilege escalation and RDP scanning etc.
- Metasploit: port scanning, vulnerability scanning, exploitations (windows, website

  
  
Principal  
Vaageswari College of Engineering  
KARIMNAGAR-505 527.

and network), meterpreter, meterpreter scripts, advanced exploitations (MSFencode attack, social engineering toolkits etc.), Bypassing UAC etc.

- OpenVAS: installation, configuration, host discovery, port scanning, application and Os detection, report generation and analysis etc.
- Nessus: installation, configuration, host discovery, port scanning, application and os detection, report generation and analysis etc.
- Maltego: creating project, data mining with Maltego, scanning information, listing vulnerabilities, exploring modules, network statistics with graphical representation etc.
- Other Tools: Introduction and comparative analysis of following tools: Iron WASP, Nikto, SQLMap, SQLNinja, Wapiti, AirCrack-ng, Reaver, Ettercap, Canvas etc.

#### **Day 2: Web Penetration Testing**

- Burp suite: environment setup, Burp Suite Example, threat modelling, web intrusion tests etc.
- Linux web penetration testing: Web application brute forcing using OWASP DirBuster, OWASP Zed Attack Proxy (ZAP), spider a website, ZAP Spider, webScarab, hydra, manual vulnerability analysis using cookies, Damn vulnerable web app, shellshock, privilege escalation, and post exploitation etc.
- Attack Scenarios: Server-side attacks, client-side attacks, authentication based attacks, session management and hijacking, web-attacks, BURP, OWASP-ZAP, Fimap, Low Orbit Ion Cannon etc.
- Attack Defenses: Defense measurements, Environment cloning, Protection against attacks (MiM, DoS, DDoS, Cookie, Clickjacking etc).
- Automated web penetration testing using python, SQL injection attack, cross-site scripting attack, cross-site forgery attack, denial of service (DoS) attack etc.

#### **Day 3: Network Penetration Testing**

- Lua Programming: basics, value types, array, functions, tables, meta-tables, modules, file i/o, object oriented programming, debugging, error and exception handling etc.
- NSE Scripting: Data file handling (data discovery, brute force, web application auditing, DBMS auditing, java debug files etc.), advanced scripts (versioning, network sockets, binary data, vulnerability table etc).
- Threat and Vulnerability Assessment: OSINT cycle, information collection websites.

Principal  
Vaageswari College of Engineering  
BIMNAGAR 501 227.

service enumeration, MASSCAN, web frontend and backend information gathering, Zenmap, Tripwire ScureCheq scanner etc.

- Email tracing, mylast search, USB Device, Root-me challenges, wasitviewed, Burpsuite Scanner, Zenmap, Acunetix, SQL injection, Malicious SQL statements, Smart Script, SQL Injection(SQLI) Attack, Performing SQL Injection Attack (Hands On) through: Own Interface(Java based), MYSQL command Line client, Acunetix, Browser and SQL Injection Prevention Technology.

#### **Day 4: Blockchain and Mobile Penetration Testing**

- Blockchain: introduction, advantage over conventional distributed database, blockchain network, mining mechanism, distributed consensus, Merkle Patricia Tree, Gas Limit Transactions and Fee, Anonymity, Reward, Chain Policy, Life of Blockchain application, Soft and Hard Fork, Private and Public Blockchain.
- Cryptocurrency: history, distributed ledger, Bitcoin protocols-mining strategy and rewards, Ethereum- construction, DAOsmart contract, GHOST, vulnerability, attacks, sidechain, namecoin. Cryptocurrency Regulations: stakeholders, roots of bitcoin, legal aspects - cryptocurrency exchange, black market and global economy.
- Pen testing on Android platform: Installing android sdk, android application writing, application forensics, environment setup, rooting and jailbreaking etc.
- Pen testing on iOS platform:: installing Xcode and iOS simulator, writing iOS application, application forensics, environment setup, rooting and jailbreaking etc.

#### **Day 5: Data Forensics**

- Malware Analysis: Malware types, Malware Sources, Static Analysis, Malware Fingerprinting, File obfuscation, Exeinfo PE, pestudio, PPEE(puppy), Resource Hacker, Yara, Yara Rule basics, Dynamic analysis, Noriben, INetSim, Analysing
- malicious binaries, code injection and hooking, obfuscation techniques, memory forensics, advanced malware detection, Cuckoo malware analysis etc.
- Python programming using pcapy and scapy, programming for listing directory, file, registry and application properties, capturing system logs, analysing window and linux memories etc.
- Forensics Algorithms, creating and analysing window and linux logs, window registry analysis, virtualization forensics, Cryptography with python, python paramiko,

#### **WORKSHOP CONTENT:**

A Five-day Faculty Development Program is conducted from 28<sup>th</sup> June to 02<sup>nd</sup> July 2017 in order to develop professional skills in teaching for teaching faculty members. As a part of the five-day program the following points are focused by the speaker. Rapid development in technology integrated into our day-to-day lives, they affect the away students learn and teachers teach. Modern teachers need to the competent in not only Basic Skills but New Skills Sets.

- Communication
- Cross-Cultural Communication
- Adaptability
- Confidence
- Team Player
- Continuous Learner
- Leadership
- Influencing Skills
- Written communication
- Business Writing Skills
- E-Mail Writing Skills
- Oral Communication
- Non-verbal and Verbal Communication
- Active listening
- Presentation Skills
- Leadership
- Public Speech

#### ABOUT THE INSTITUTE:

Established in 2003, Vaageswari Educational Society is one of the most prestigious society providing high quality professional education in Karimnagar district of Telangana. The society is running multiple educational institutions like Vaageswari College of Engineering (2005), Pharmacy (2003), Pharmaceutical Sciences (2007), Management Sciences (2008). The society was established with a great vision to provide quality education on par with global standards to the students from all over India in general and in particular those from local and rural areas. Society is maintaining high standards so as to make them technically competent and ethically strong individuals who shall be able to improve the quality of life and become an asset to the economy of our country. The Society not only celebrates freedom of thought, cultivates vision and encourages growth, but also inculcates human values and concern for the environment and the society. The institution is awarded with Best Chapter of ISTE AP Section.

#### VISION:

"To develop the Sree Vaageswari Educational Society into a center of excellence in imparting professional and technical education, to inculcate knowledge and power to the younger generation by providing high quality professional education on par with global standards and to instill high levels of discipline among student community making them ethically strong citizens capable of contributing to the development of society and mankind".

#### PROGRAMS OFFERED:

The college offers B.Tech programmes in CSE, EEE, ECE, Civil and Mechanical Engineering. The college also offers MCA and M.Tech in Computer Science and Engineering.

#### ABOUT THE DEPARTMENT:

The Department of Humanities and Science was established in the year 2005. Our department provides an encouraging environment to develop the intellectual capacity, critical thinking, creativity, and problem solving ability of the students. It always keen to offer students an academic experience of thinking, learning, doing and extends support for aptitude training and communication skills to make students ready for modern job scenario and we organize Motivational and Personality Development classes by inviting eminent. The committed faculties in the department are well-known for their intellectual vitality, creativity and dedicate themselves to the highest levels of excellence in the cultivation of learning and the creation of knowledge across a broad spectrum of disciplines like English, Mathematics, Physics, Chemistry, and Environmental Sciences. ELCS play a significant role in enhancing the skills of engineering students. The infrastructural facilities provided in addition to the teacher resources to enhance the skills among the students at the foundation level of engineering first year sure to prepare them compatible for 'industry ready'. The Department of Physics for Newcomers Engineering is to prepare dynamic professionals for innovation and to awaken their hidden talents in basic sciences, with the resources required to be successful during the first year of engineering on the campus. The department is well-equipped with laboratory facilities for Applied Physics and Engineering Physics subjects and supported by well-qualified, highly dedicated faculty with utmost level of proficiency. The Chemistry department serves the purpose of imparting knowledge in the core science subject, along with innovative ideas to achieve their goals keeping concern about the present environmental needs which is a fundamental building block for most engineering disciplines. The faculty has contributed many research papers which are published in distinguished international and national Journals.

Five-Day Faculty Development Program on  
**BODHANA-2017**  
(28/06/2017 to 02/07/2017)

**REPORT**

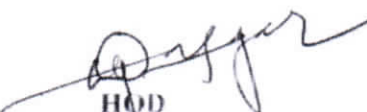

A five Day Faculty Development Program on “**BHODHANA-2017**” was organized by Department of Humanities and Sciences, Vaageswari College of Engineering from 28<sup>th</sup> June to 02<sup>nd</sup> July 2017 for the faculty of all Departments. Several faculty members from various Departments actively participated and gained useful information from all the sessions.

The program is designed to enhance skills on communication, written communication, presentation skills, qualities of leadership and public speech. The program provided an opportunity to acquire knowledge about system of communication process, written communication, presentation and organization of team with leadership qualities. The program mainly focused on practical approach of how communication is successful in handling teaching classes.

**Outcomes of the Faculty Development Program:**

1. The participants gained hands-on experience of how to make communication success in classroom and organization.
2. The participants also gained knowledge on how to write letters and official e-mail useful at the workplaces.
3. The participants gained experience in presentation skills, qualities of leadership skills and public speech.

-- **Subject:** Request Proposal to Conduct Five day FDP on "**COMPUTATIONAL METHODS USING MATLAB**"-Reg.

Respected Sir,

In Accordance to Subject cited above I, Head of the Department of Electronics and Communication Engineering here with request with this letter to permit us to conduct a Five day Faculty Development Program on "**COMPUTATIONAL METHODS USING MATLAB**" during **05-06-2017 to 09-06-2017**. I also request you to provide all the required facilities.

Thanking You.

Yours Sincerely

  
HOD-Dept. of ECE.

**CIRCULAR**

It is hereby informed to Department of Electronics and Communication Engineering that a five day Faculty Development Program will be held on "COMPUTATIONAL METHODS USING MATLAB" from 5<sup>th</sup> to 9<sup>th</sup> June 2017. All the teaching and non-teaching members should avail this opportunity to upgrade the technical skills.

Hence, all teaching and non-teaching members should attend the above FDP program without fail.

#### WORKSHOP CONTENT:

To explicate the quality education through imparting knowledge to the well conversed and faculty of ECE for making them proficient in getting acquaintance through the soft skills. To acquaint the participants about the powerful capability of MATLAB as a language of Technical computing for the modeling and simulation of various signaling systems. To impart knowledge to the students as an end user such that they can enhance their soft skills to be able to cope up the technological changes and challenges taking place in the modern world. To increase their employability by further strengthening their problem solving skills by improving knowledge of mathematics and physics.

Every session is followed by a laboratory session to implement several computational methods.

- Introduction to MATLAB and its interactive development environment. Variables, arrays and expressions.

- Use of plotting and Graphics functions.

- Sample script writing in MATLAB environment.

- Decision Making, Branching and Looping.

- MATLAB Simulink and Image.

- Ordinary differential equation solving.

- Linear algebraic equation solving.

- Numerical integration and its applications in engineering.

- Laboratory sessions for hands on practice for better understanding of the software.

#### ABOUT THE INSTITUTE:

Established in 2003, Vaagdevan Educational Society is one of the most prestigious society providing high quality professional education in Kirurmagar district of Telangana. The society is running multiple educational institutions like Vaagdevan College of Engineering (2003), Pharmacy (2003), Pharmaceutical Sciences (2007), Management Sciences (2008). The society was established with a great vision to provide quality education on par with global standards to the students from all over India in general and in particular those from local and rural areas. Society is maintaining high standards so as to make them technically competent and ethically strong individuals who shall be able to improve the quality of life and become an asset to the economy of our country. The Society not only celebrates freedom of thought, cultivates vision and encourages growth but also inculcates human values and concern for the environment and the society. The institution is awarded with Best Chapter of ISTE AP Section.

#### VISION:

To develop the Vaagdevan Educational Society into a center of excellence in preparing professional and technical education, to facilitate knowledge and power to the younger generation by providing high quality professional education on par with global standards and to instill high levels of discipline among student community making them ethically strong citizens capable of contributing to the development of society and mankind.

#### PROGRAMS OFFERED:

The college offers B.Tech programmes in CSE, EEE, ECE, Civil and Mechanical Engineering. The college also offers MCA and M.Tech in Computer Science and Engineering.

#### ABOUT THE DEPARTMENT:

The department of Electronics and Communication Engineering (ECE) was started in 2005 with an intake of 60 and in a short span of time the intake increased to 180.

The department comprises of well experienced and dedicated faculty with vast experience in teaching. The faculty members have been meticulously and judiciously picked up to impart quality education and inculcate all-round development in the students. The department has well established labs with state of art hardware equipments and advanced software's.

The Department's main objective is not only make the students excel in theory but also in experimental research through academic projects in various fields. The Department regularly organizes several programs such as workshops, guest lectures, seminars etc. to impart state of art knowledge in different technologies to the students as well as faculty members. Department is dedicated to advancing, disseminating and exploiting knowledge in engineering and technology. The department offers a four-year course a Bachelor's degree in Electronics and Communication Engineering. Department has the most advanced set of advanced equipment in the laboratory. All employees can teach students for any of their problems whether academic or non-academic. The department aims to technically develop students and make them mentally strong to meet future challenges.

The department also seeks to provide its students with excellent educational and educational opportunities in the field of electronics and communications engineering, thus providing a lasting technical basis in an environment of rapid technical change. In the process, it enables and promotes their professional growth through contact with best professional practices. Consequently the administration is trying to play the role of resources and technical leadership in development activities at the national level.

**COMPUTATIONAL METHODS USING MATLAB**

**(05/06/2017 to 09/06/2017)**

Five Day Faculty Development Program on “**COMPUTATIONAL METHODS USING MATLAB**” was organized by ECE Department, Vaageswari college of Engineering from 5<sup>th</sup> to 9<sup>th</sup> June 2017 for the faculty of ECE Department. Several faculty members of the Department actively participated and gained useful information from all the sessions.

Mr.K.Gopi Krishna, Assistant Professor, ECE Department, Vaageswari College of Engineering conducted the program. It was initiated with the introduction Use of MATLAB and MathWorks Statistics and Machine Learning Toolbox.

**Outcomes of the Faculty Development Program:**

- Introduction to MATLAB and its interactive development environment Variables, arrays and expressions
- Use of plotting and Graphics functions
- Simple script writing in MATLAB environment
- Decision Making, Branching and looping
- MATLAB Simulink and usage
- Ordinary differential equation solving
- Linear algebraic equation solving
- Numerical integration and its applications in engineering.
- Laboratory sessions for hands on practice for better understanding of the software

**Subject:** Request Proposal to Conduct Five day FDP on "IOT USING ARDUINO"-Reg.

Respected Sir,

In Accordance to Subject cited above I, Head of the Department of Electronics and Communication Engineering here with request with this letter to permit us to conduct a Five day Faculty Development Program on "IOT USING ARDUINO" during **08-05-2018 to 12-05-2018**. I also request you to provide all the required facilities.

Thanking You,

Yours Sincerely

  
HOD-Dept. of ECE.

**CIRCULAR**

It is hereby informed to Department of Electronics and Communication Engineering that a five day Faculty Development Program will be held on **"IOT USING ARDUINO"** from 08<sup>th</sup> to 12<sup>th</sup> May 2018. All the teaching and non-teaching members should avail this opportunity to upgrade the technical skills.

Hence, all teaching and non-teaching members should attend the above FDP program without fail.

#### **FDP CONTENT:**

The primary objective of this one-week online Faculty Development Program (FDP) on Internet of Things (IoT) is to enrich faculty members of Computer Science & related Engineering streams with us ability of the IoTs across various real-world applications and design different application on and communication protocols for IoTs. Designing the solutions for several applications using IoTs by integrating machine learning/deep learning will be elaborated.

#### **PROGRAMME CONTENT**

IoT Network Design and Architecture  
IoT enabled Software Architectures and Middleware  
Introduction to IoT applications  
Introduction to Arduino  
Understand Arduino  
Arduino Architecture  
Arduino programming  
Sensor based I/O Applications  
Analog and Digital Sensor and its interfacing  
Introduction to NODE MCU  
IoT cloud using ESP8266  
Setup IoT connectivity using ESP8266 WiFi Module  
Develop and test an IoT weather monitoring station

#### ABOUT THE INSTITUTE:

Established in 2003, is one of the most prestigious society providing high quality professional education in Karimnagar district Telangana. The society is running multiple educational institutions like Vaageswari College of Engineering (2005), Pharmacy (2003), Pharmaceutical Sciences (2007), Management Sciences (2008). The society was established with a great vision to provide quality education on par with global standards to the students from all over India in general and in particular those from local and rural areas. Society is maintaining high standards so as to make them technically competent and ethically strong individuals who shall be able to improve the quality of life and become an asset to the economy of our country. The Society not only celebrates freedom of thought, cultivates vision and encourages growth, but also inculcates human values and concern for the environment and the society. The institution is awarded with Best Chapter of ISTE AP Section.

#### VISION:

"To develop the SreeVaageswari Educational Society into a center of excellence in imparting professional and technical education, to inculcate knowledge and power to the younger generation by providing high quality professional education on par with global standards and to instill high levels of discipline among student community making them ethically strong citizens capable of contributing to the development of society and mankind".

#### PROGRAMS OFFERED:

The college offers B.Tech. programmes in CSE, EEE, ECE, Civil and Mechanical Engineering. The college also offers MCAMBA and M.Tech in Computer Science and Engineering.

#### ABOUT THE DEPARTMENT:

The department of Electronics and Communication Engineering (ECE) was started in 2005 with an intake of 60 and in a short span of time the intake increased to 180. The department has got M.Tech in ECE with an intake of 36 during this academic year (2010-11).

The department comprises of well experienced and dedicated faculty with vast experience in teaching. The faculty members have been meticulously and judiciously picked up to impart quality education and inculcate all-round development in the Students. The department has well established labs with state of art hardware equipments and advanced softwares.

The department is run by well qualified and experienced faculty under the able guidance and leadership of Mr. D. Sampath Kumar, HOD, ECE.

Consequently, the administration is trying to play the role of resources and technical leadership in development activities at the national level.

The department also seeks to provide its students with excellent educational and educational opportunities in the field of electronics and communications engineering, thus providing a lasting technical basis in an environment of rapid technical change. In the process, it enables and promotes their professional growth through contact with best professional practices. Consequently, the administration is trying to play the role of resources and technical leadership in development activities at the national level.

Department of Electronics and Communication Engineering  
Five-Day Faculty Development Program on  
**IOT USING ARDUINO**  
(08<sup>th</sup> to 12<sup>th</sup> May 2018)

**REPORT**

Five Day Faculty Development Programme on "IoT USING ARDUINO" was organized by Department of Electronics and Communication Engineering, Vaageswari college of Engineering from 8<sup>th</sup> to 12<sup>th</sup> May 2018 for the faculty of ECE Department. Several faculty members of the Department actively participated and gained useful information from all the sessions.

Mr.G.S,Arun Kumar, Assistant Professor, ECE Department, Vaageswari college of Engineering conducted FDP on IOT using Arduino. It was initiated with the introduction to Arduino and IDE.

IoT is embedded with Electronics, Internet connectivity, and other forms of hardware, these devices can communicate and interact with others over the Internet, and they can be remotely monitored and controlled. Arduino is an open-source Electronics platform based on easy-to-use hardware and software. Arduino senses the environment by receiving inputs from many sensors, and affects its surroundings by controlling lights, motors, and other actuators.

**Outcomes of the Faculty Development Program:**

- IoT Network Design and Architecture
- Introduction to IoT applications
- Introduction to Arduino
- Analog and Digital Sensor and its interfacing
- Introduction to NODE MCU and IoT cloud using ESP8266
- IoT enabled Software Architectures and Middleware

To

The Principal,

Vaageswari College of Engineering,

Karimnagar.

**Subject:** Request Proposal to Conduct Five day FDP on "**Renewable Energy for Industrial & Domestic Applications**"-Reg.

Respected Sir,

In Accordance to Subject cited above I, Head of the Department of Electrical and Electronics Engineering here with request with this letter to permit us to conduct a Five day Faculty Development Program on "**Renewable Energy for Industrial & Domestic Applications**" during **08-05-2018 to 12-05-2018**. I also request you to provide all the required facilities.

Thanking You.

Yours Sincerely

HOD, Dept. of EEE.

**CIRCULAR**

Date: 01-05-2018

It is hereby informed to **Department of Electrical and Electronics Engineering** that a five-day Faculty Development Program will be held on "**Renewable Energy for Industrial & Domestic Applications**" from 08<sup>th</sup> to 12<sup>th</sup> May 2018. All the teaching and non-teaching members should avail this opportunity to upgrade the technical skills.

Hence, all teaching and non-teaching members should attend the above FDP program without fail.

#### WORKSHOP CONTENT:

The faculty development program is to create awareness the significant achievements, prospects, Projections on commercially available renewable systems and as well as challenges of advancement of technology in renewable sector.

The expert's outcome will provide useful information and develop confidence among researchers to utilize the renewable energy devices in their research areas.

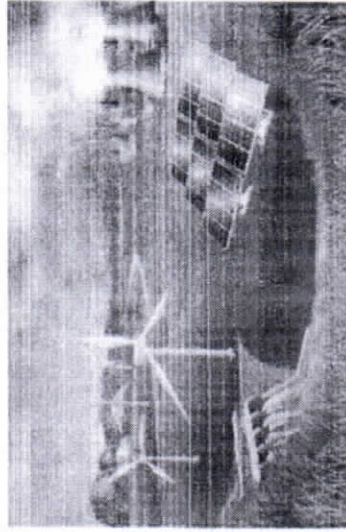

It creates the common platform that industry represents, experts, faculty and researchers to interact and update their knowledge.

#### COURSE CONTENT:

- Energy scenario.
- Use of natural resources for energy efficiency.
- Sustainable clean and green energy technology innovations
- Elements of Green Building.
- Energy efficient materials & its applications.
- Passive cooling of building.

#### ABOUT THE INSTITUTE:

Established in 2003, Vaageswari Educational Society is one of the most prestigious society providing high quality professional education in Karimnagar district of Telangana. The society is running multiple educational institutions like Vaageswari College of Engineering (2005), Pharmacy (2003), Pharmaceutical Sciences (2007), Management Sciences (2008). The society was established with a great vision to provide quality education on par with global standards to the students from all over India in general and in particular those from local and rural areas. Society is maintaining high standards so as to make them technically competent and ethically strong individuals who shall be able to improve the quality of life and become an asset to the economy of our country. The Society not only celebrates freedom of thought, cultivates vision and encourages growth, but also inculcates human values and concern for the environment and the society. The institution is awarded with Best Chapter of ISTE AP Section.

#### VISION

Excellence in quality education by keeping pace with the rapidly changing technologies and to create a highly innovative and research oriented man power meeting the global standards in the field of Electrical and Electronics Engineering.

#### MISSION

To create an excellent academic environment where a strong theoretical knowledge and practical skills can be imparted. Further, the graduates will also be trained in interpersonal communication skills and teamwork along with an emphasis on ethics and morals for the sustainable development of the society.

#### PROGRAMS OFFERED:

The college offers B.Tech programmes in CSE, EEE, ECE, Civil and Mechanical Engineering. The college also offers MCA and M.Tech in Computer Science and Engineering.

#### ABOUT THE DEPARTMENT:

Electrical & Electronics Engineering started in 2005. The Department is bestowed with highly qualified and experienced faculty out of which 2 have completed their Ph.D. The Department offers UG programme in EEE with an objective of imparting quality education in the Electrical and Electronics Engineering and one PG programme in Power Electronics. The Department has well equipped labs with latest simulation & design software. The Department is enriched with PE, PS Labs and R&D. The Department initiated power Club in 2005.

The department is actively engaged in research. The efforts are directed towards reorienting the laboratories to establish close relation with industry. The department has been organizing short term training programs, seminars, workshops, guest lectures by experts, technical & non-technical student fests regularly. The department is working for the improvement of Industry - Institute Interaction in terms of academics & research and also for the development of infrastructure to match the needs of the industry. The department is striving hard to attain & sustain as a centre of excellence in Electrical engineering education & research with a holistic approach.

The faculty strives to foster and encourage a teaching methodology that is both practical and theoretical in approach tuning to the requirements of the latest developments in research and industry in the field of Electrical and Electronics Engineering.

Further, the graduates will also be trained in interpersonal communication skills and teamwork along with an emphasis on ethics and morals for the sustainable development of the society.

Department of Electrical and Electronics Engineering  
Five-Day Faculty Development Program on

**RENEWABLE ENERGY FOR  
INDUSTRIAL & DOMESTIC APPLICATIONS**  
(08/05/2018 to 12/05/2018)

**REPORT**

A five Day Faculty Development Program on “Renewable Energy for Industrial & Domestic Applications” was organized by Department of Electrical and Electronics Engineering, Vaageswari college of Engineering from 08<sup>th</sup> to 12<sup>th</sup> May 2018 for the faculty of EEE Department. Several faculty members of the Department actively participated and gained useful information from all the sessions.

The faculty development program is to create awareness the significant achievements, prospects, Projections on commercially available renewable systems and as well as challenges of advancement of technology in renewable sector.

The expert's outcome will provide useful information and develop confidence among researchers toutilize the renewable energy devices in their research. areas.

It creates the common platform that industry represents, experts, faculty and researchers to interact and update their knowledge.

**Outcomes of the Faculty Development Program:**

1. The participants gained knowledge in renewable energy sources and their utilization.
2. The participants learned the basic concepts of solar energy and analyze the working of solar PV and thermal systems.
3. The participants gained the physics of building and techniques to improve the thermal comfort.

#### WORKSHOP CONTENT:

Marketing management is one of the practical-oriented subjects in management education, which is very dynamic. In this changing and newly emerging business and marketing ecosystem, the challenge of marketing teaching pedagogy is increasing day by day. In marketing management teaching pedagogical research, there is a scarcity of integrated blended framework consisting of teaching technology and augmented learning exposure in supporting classroom teaching methodology. The study attempts to identify how various factors like theoretical knowledge, practical orientation, teaching technology and augmented learning can impact marketing management education's learning outcome in the Indian context. Current research has also tried developing and examining a structured framework that may strengthen the classroom teaching environment

#### COURSE CONTENT:

- Exposure to different learning theories and adult learning.
- Discuss issue in marketing pedagogy.
- Recognize the fit between the learner, topic and pedagogy.
- Exposure to different experiential pedagogies such as case, games, projects, flip classroom, simulation etc.
- Understand the science and art of managing the teacher's tasks.
- Science: Instruction Technology, Learning theories and learner centric approaches.
- Art: What works and doesn't works across programs, strategies for effective engagement etc

### FIVE-DAY FACULTY DEVELOPMENT PROGRAM

ON

### EXPERIMENTAL LEARNING AS A NEW AGE TEACHING PEDAGOGY FOR MARKETING 4.0

Organized by

Department of MBA

VAAGESWARI COLLEGE OF  
ENGINEERING

Karimnagar, Telangana- India

1<sup>st</sup> to 5<sup>th</sup> May, 2018  
\*\*\*\*\*

### ABOUT THE INSTITUTE:

Established in 2003, Vaageswari Educational Society is one of the most prestigious society providing high quality professional education in Karimnagar district of Telangana. The society is running multiple educational institutions like Vaageswari College of Engineering (2005), Pharmacy (2003), Pharmaceutical Sciences (2007), Management Sciences (2008). The society was established with a great vision to provide quality education on par with global standards to the students from all over India in general and in particular those from local and rural areas. Society is maintaining high standards so as to make them technically competent and ethically strong individuals who shall be able to improve the quality of life and become an asset to the economy of our country. The Society not only celebrates freedom of thought, cultivates vision and encourages growth, but also inculcates human values and concern for the environment and the society. The institution is awarded with Best Chapter of ISTE AP Section.

### VISION

Excellence in quality education by keeping pace with the rapidly changing technologies and to create a highly innovative and research oriented man power meeting the global standards in the field of Electrical and Electronics Engineering.

### MISSION

To create an excellent academic environment where a strong theoretical knowledge and practical skills can be imparted. Further, the graduates will also be trained in interpersonal communication skills and teamwork along with an emphasis on ethics and morals for the sustainable development of the society.

### PROGRAMS OFFERED:

The college offers B.Tech programmes in CSE, EEE, ECE, Civil and Mechanical Engineering. The college also offers MCA and M.Tech in Computer Science and Engineering.

### ABOUT THE DEPARTMENT:

The Department of Business management is a leading business management school in North Telangana offering High-class education through a student-focused culture of excellence, entrepreneurial thinking and industry alignment. As a part of offering Technical and professional courses, in order to meet the increasing demands from national and international enterprises for efficient managers, in the recent times, Vaageswari College of Engineering, has started the Department of Business Management (MBA) in the year 2006 with an intake of 60 students. Till the date 720 students were graduated from the department.

A high quality expertise team of faculty is appointed to teach students. The team of MBA faculty is highly talented and they can explain the complicated concepts in a very simple manner, so that the students understand and memorize well.

Specializations in the areas of Finance, Marketing and Human Resource Management are offered, which are essential for any sector, with an aim to develop students' knowledge in domain area and improve the business strategies and then they able to engage their business or take up a responsible position in other corporate companies.

To enhance soft skills and life skills to our students, we organize various skill development programs, which offer them a realistic experience; they are familiarized with the role they have to play, to handle the tough situation in the future. The department has separate and well equipped library and business lab facilities. We have secured 90 per cent of result this year.

- To foster a passion for learning and creative thinking among the student and teaching community.
- To prepare management professionals' mindset having high professional competence, outstanding leadership qualities and flawless personal integrity.

(01/05/2018 to 05/05/2018)

**REPORT**

A five Day Faculty Development Program on “EXPERIMENTAL LEARNING AS A NEW AGE TEACHING PEDAGOGY FOR MARKETING 4.0” was organized by Department of MBA, Vaageswari college of Engineering from 01<sup>st</sup> to 05<sup>th</sup> May 2018 for the faculty of EEE Department. Several faculty members of the Department actively participated and gained useful information from all the sessions.

The faculty development program is to create awareness the significant achievements, prospects, Projections on commercially available renewable systems and as well as challenges of advancement of technology in renewable sector.

**PROGRAM OUTCOMES:**

- Overview of Marketing scenario
- Alternate pedagogy and Pedagogy fit.
- Gamification a Pedagogy Tool for Marketing 4.0
- Design Thinking and Solving Marketing and Sales Problem
- Project Based Learning.
- Deep Surface Learning.

**Subject:** Request Proposal to Conduct Five day FDP on "**High Performance Computing**" -Reg.

Respected Sir,

In Accordance to Subject cited above I, Head of the Department of Master of Computer Applications here with request with this letter to permit us to conduct a Five day Faculty Development Program on "**High Performance Computing**" during 14<sup>th</sup> to 18<sup>th</sup> May 2018. I also request you to provide all the required facilities.

Thanking You.

Yours Sincerely

HOD-Dept. of MCA.

**CIRCULAR**

Date: 02-05-2018

It is hereby informed to **Department of Master of Computer Applications** that a five-day Faculty Development Program will be held on "**High Performance Computing**" from 14<sup>th</sup> to 18<sup>th</sup> May 2018. All the Teaching and non-teaching members should avail this opportunity to upgrade the technical skills.

Hence, all Teaching and non-teaching members should attend the above FDP program without fail.

#### WORKSHOP CONTENT:

Research in high-performance computing (HPC) aims to design practical algorithms and software that run at the absolute limits of scale and speed. It is motivated by the incredible demands of "big and hairy" data-hungry computations, like modeling the earth's atmosphere and climate, using machine learning methods to analyze every book and paper ever written, discovering new materials, understanding how biological cells work, simulating the dynamics of black holes, or designing city infrastructure to be more sustainable, to name just a few. To perform these computations requires new approaches for the efficient use of advanced computer systems, which might consist of millions of processor cores connected by high-speed networks and coupled with exabytes of storage.

- Discrete and numerical parallel algorithms
- HPC (High Power Computing) applications in science and engineering
- Design of architecture-aware algorithms (e.g., GPU, FPGA, Arm)
- High-performance scientific software
- Performance analysis and engineering
- Post-Moore's Law computing
- Introduction to parallel computing
- Message Passing Interface
- Domain decomposition technique

Every session is followed by a laboratory session to implement examples.

#### ABOUT THE INSTITUTE:

Established in 2003, Vaageswari Educational Society is one of the most prestigious society providing high quality professional education in Karimnagar district of Telangana. The society is running multiple educational institutions like Vaageswari College of Engineering (2005), Pharmacy (2003), Pharmaceutical Sciences (2007), Management Sciences (2008). The society was established with a great vision to provide quality education on par with global standards to the students from all over India in general and in particular those from local and rural areas. Society is maintaining high standards so as to make them technically competent and ethically strong individuals who shall be able to improve the quality of life and become an asset to the economy of our country. The Society not only celebrates freedom of thought, cultivates vision and encourages growth, but also inculcates human values and concern for the environment and the society. The institution is awarded with Best Chapter of ISTE AP Section.

#### VISION:

"To develop the Sree Vaageswari Educational Society into a center of excellence in imparting professional and technical education, to inculcate knowledge and power to the younger generation by providing high quality professional education on par with global standards and to instill high levels of discipline among student community making them ethically strong citizens capable of contributing to the development of society and mankind".

#### PROGRAMS OFFERED:

The college offers B.Tech programmes in CSE, EEE, ECE, Civil and Mechanical Engineering. The college also offers MCA and M.Tech in Computer Science and Engineering.

#### ABOUT THE DEPARTMENT:

The department of Mater of Computer Applications (MCA) was started in 2005 with an intake of 30 and in a short span of time the intake increased to 65.

The department comprises of well experienced and dedicated faculty with vast experience in teaching. The faculty members have been meticulously and judiciously picked up to impart quality education and inculcated all-round development in the Students. The department has well established labs with state of art hardware equipments and advanced software's.

The Department's main objective is not only make the students excel in theory but also in experimental research through academic projects in various fields. The Department regularly organizes several programs such as workshops, guest lectures, seminars etc. to impart state of art knowledge in different technologies to the students as well as faculty members. Department is dedicated to advancing, disseminating and exploiting knowledge in engineering and technology. The department offers a three-year course a Master's degree in Master of Computer Applications (MCA). Department has the most advanced art of advanced equipment in the laboratory. All employees can reach students for any of their problems, whether academic or non-academic. The department aims to technically develop students and make them mentally strong to meet future challenges.

The department also seeks to provide its students with excellent educational and educational opportunities in the field of electronics and communications engineering, thus providing a lasting technical basis in an environment of rapid technical change. In the process, it enables and promotes their professional growth through contact with best professional practices. Consequently the administration is trying to play the role of resources and technical leadership in development activities at the <sup>national</sup> ~~regional~~ level.

**SPEAKER PROFILES**

**Dr. B. Sridhar**, completed his Ph.D from Jawaharlal Nehru Technological University. Currently he is working as a Professor at Srinidhi Institute of Technology and Science, Hyderabad. His research interests include Web Machine Learning.

**Dr. R. Naveen Kumar**, completed his Ph.D from Jawaharlal Nehru Technological University. Currently he is working as an Associate Professor at Vaagdevi College of Engineering, Warangal. His research interests include Cloud Computing.

**Dr. V. Bapuji**, completed his Ph.D. in Computer Science at Kakatiya University Warangal. He has 21 years of teaching experience at post graduate level and research interest includes Cloud Computing, Mobile Ad Hoc Networks Security, Soft Computing, and Design efficient accurate reliable low cost IDS. His work focuses on the security and fault tolerance of routing protocols, with an emphasis on solutions to support Mobile Ad hoc Networking. He has published more than 32 international journal publications in reputed international journals and published 2 book chapters. He is a member of IEEE, ISTE, IAENG, and IAEME.

**D. Srinivas Reddy**, completed his MCA and pursuing Ph.D from Kakatiya University, Warangal. Currently he is working as an Associate Professor in Dept. of MCA. His research areas include Soft Computing, Machine Learning and Mobile Ad hoc networks.

**Mr. G. Vivekanand**, completed his MCA and M.Tech from Jawaharlal Nehru Technological University. Currently, he is working as an Assistant Professor at Vaageswari College of Engineering. His research interests include Web Technologies.

**Department of Master of Computer Applications**

**Five-Day Faculty Development Program on**

**HIGH PERFORMANCE COMPUTING**

**(14/05/2018 to 18/05/2018)**

**REPORT**

A five Day Faculty Development Program on “**High Performance Computing**” was organized by Department of Master of Computer Applications, Vaageswari college of Engineering from 14<sup>th</sup> to 18<sup>th</sup> May 2018 for the faculty of MCA Department. Several faculty members of the Department actively participated and gained useful information from all the sessions.

Research in high-performance computing (HPC) aims to design practical algorithms and software that run at the absolute limits of scale and speed. It is motivated by the incredible demands of “big and hairy” data-hungry computations, like modeling the earth’s atmosphere and climate, using machine learning methods to analyze every book and paper ever written, discovering new materials, understanding how biological cells work, simulating the dynamics of black holes, or designing city infrastructure to be more sustainable, to name just a few. To perform these computations requires new approaches for the efficient use of advanced computer systems, which might consist of millions of processor cores connected by high-speed networks and coupled with exabytes of storage.

**Outcomes of the Faculty Development Program:**

1. The participants understand the role of HPC in science and engineering and familiar with popular parallel programming paradigms.
2. The participants also understand the means by which to measure, assess and analyse the performance of HPC applications.
3. The participants understand the role of administration, workload and resource management in HPC management software.

**Subject:** Request Proposal to Conduct Five day FDP on "**Industrial Safety**"-Reg.

Respected Sir,

In Accordance to Subject cited above I, Head of the Department of Mechanical Engineering here with request with this letter to permit us to conduct a Five day Faculty Development Program on "**Industrial Safety**" during 20<sup>th</sup> to 24<sup>th</sup> February 2018. I also request you to provide all the required facilities.

Thanking You,

Yours Sincerely

HOD-Dept. of Mechanical Engg.

**CIRCULAR**

It is hereby informed to Mechanical department that a five day Professional Development Program will be held on "**Industrial Safety**" from **20<sup>th</sup> to 24<sup>th</sup> February 2018**. All the teaching and non-teaching members should avail this opportunity to upgrade the technical skills.

Hence, all teaching and non-teaching members should attend the above PDP program without fail.

#### About Vaageswari College of Engineering

Sree Vaageswari Educational Society was established by eminent and educated personalities in the name of Goddess Saraswathi Devi in the year 2003 under the leadership of Dr. G. Sreenivas Reddy Garu, General Secretary & Correspondent who is a Doctor in Ayurveda and a dedicated missionary and crusader in the field of education, he is the spirit and force behind this reputed organization. The society was established with a vision to produce professionals having scientific intellect, innovation and imagination. The Institution provides currently 4 Diploma, 5 UG, 7PG programs. The Best of assistance in academic field and guides the students in a right path to reach the summit of their professional careers.

Vaageswari College of Engineering impart goal oriented, quality based and value added education with state-of-the-art technical resources. Over the years, it has evolved as a symbol of quality education. The determination and dedicated efforts of college in the interest of the students to compete with the best in the outside world have enabled us to shine forth as the torchbearer for quality education today. The Institution keep pace with the world's major strides in technology, development and hence set a benchmark in every pedagogical standard.

The Vaageswari College of Engineering is located in the suburbs of Karimnagar town, on Rajiv Rahadari Highway towards Hyderabad. Situated in eco friendly campus with lush green lawns, lovely landscape, aesthetic architecture and avant-garde infrastructure. The College epitomize an exemplary setting for scientific education and higher learning.

#### About the Department

Mechanical department was established in 2012. The Department offers Diploma, Under Graduate and Post Graduate programs. The department has well experienced faculty, good infrastructural facilities and has full-fledged laboratories equipped with adequate hardware and software.

Mechanical engineering is a discipline of engineering that applies the principles of physics and materials science for analysis, design, manufacturing, and maintenance of mechanical systems. It is the branch of engineering that involves the production and usage of heat and mechanical power for the design, production, and operation of machines and tools. It is one of the outstanding broadest engineering disciplines.

#### THEME OF THE WORKSHOP

Advances in Materials and Manufacturing aims to bridge developments in academic and industrial research and highlights the latest developments in AM including new methods, materials developments, and applications, as well as new ecosystems built on advanced manufacturing.

#### Workshop Contents:

- General Safety Mistakes. ...
- Ergonomic and Workplace Stress. ...
- Drugs on The Job. ...
- Violence at The Workplace. ...
- Fire and Electrical Safety. ...
- Workplace Accidents: Reporting, Prevention, And Costs.
- Types of Safety

**INVITATION LETTER**

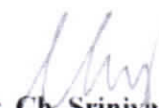

To,  
Dr. G. Srihari,  
Professor,  
Department of Mechanical Engineering,  
Jayamukhi Institute of Technological Sciences,  
Narsampet, Warangal-506332.

**Sub:** Invitation to be a resource person for five day Faculty Development Program on  
“**Industrial Safety**”-regarding.

Dear Sir,

On behalf of Vaageswari College of Engineering, I cordially invite you to deliver a lecture on **Industrial Safety** which will be held from **20<sup>th</sup> to 24<sup>th</sup> February 2018**. I would be thankful if you share your expertise on the topic with our faculty.

I will be eagerly looking forward to hear from you and hope that you would accept our invitation for the event.

**SPEAKER PROFILES**

**Dr. G. Srihari**, completed his Ph.D from Jawaharlal Nehru Technological University. Currently he is working as a Professor at Jayamukhi Institute of Technological Sciences. His research interests include Machine Design.

**Dr. P. Srinivasulu**, completed his Ph.D from Jawaharlal Nehru Technological University. Currently he is working as a Professor at Vaagdevi College of Engineering. His research interests include Production Technology.

**Dr.Ch. Srinivas**, completed his Ph.D from National Institute of Technology, Warangal. Currently he is working as Professor in Department of Mechanical Engineering and Principal of Vaageswari College of Engineering. His research interests include in Production Planning and Control.

**Mr J. Chandra Shekar**, completed his M.Tech from Jawaharlal Nehru Technological University. Currently he is working as an Associate Professor at Vaageswari College of Engineering. His research interests include Production Engineering.

**Mr. R. Sainath**, completed his M.Tech from Jawaharlal Nehru Technological University. Currently he is working as an Assistant Professor at Vaageswari College of Engineering. His research interests Thermal Engineering.

**Five day Professional Development Program on**  
**INDUSTRIAL SAFETY**  
**20<sup>th</sup> to 24<sup>th</sup> February 2018**

**REPORT**

A five Day Professional Development Programme on “Industrial Safety” was organized by Department of Mechanical Engineering, Vaageswari college of Engineering from 20<sup>th</sup> Feb to 24<sup>th</sup> Feb 2018. Several faculty members of the Department actively participated and gained useful information from all the sessions.

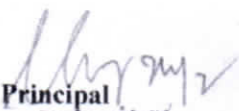

The programme is by using the advances in materials and manufacturing of the participants, to make them aware about modern Techniques and methodologies. It provides an opportunity to acquire knowledge about current technological developments in relevant fields. The programme mainly focuses on Advances in materials and manufacturing and the different types of materials approaches with primary concern and motivation for application development

**PROGRAM OUTCOMES:**

- Introduction to Industrial Safety, General Safety Mistakes.
- Ergonomic and Workplace Stress
- Drugs on the Job.
- Violence at the Workplace.
- Fire and Electrical Safety.
- Workplace Accidents: Reporting, Prevention, And Costs
- Types of safety
