Institutional Distinctiveness

Describe/Explain the performance of the institution in one area distinctive to its vision, priority and thrust Response.

Privileges of Venue and Virtues of Infra

Vaageswari College of Engineering was established in 2003 with a generous vision of making technical education accessible to the rural community for whom technical education was far from reach.

The uniqueness of Vaageswari College of Engineering is in creating terrestrial environment that actively incorporates and promotes sustainable development of students. It accounts for all external factors that lead to health and well being of students with pollution free air quality and safety that fosters breeding ground for creativity.

Vaageswari College of Engineering is located beside the Rajiv Rahadari a four lane state highway that connects cities like Hyderabad-Karimnagar-Ramagundam. The LMD police station located adjacent to college, looks after safety and security of the students. Primary Health Centre,Thimmapur is a kilometre away which provides healthcare and Ambulance in emergency.

Vaageswari College of Engineering is too near to Karimnagar city; it will take around 10 minutes to reach Karimnagar head quarters and connected to all nearby villages such as Thimmapur, Algunoor, Nusthulapur, Kothapally etc. with better road connections. College campus having peaceful environment with TSRTC transport facility as well as own transport facility with less travelling charges and also they can save time. The buses are safe with well trained drivers appointed by the college authorities and also equipped with First Aid facility. These buses are secured, comfortable and affordable.

The primary focus of Vaageswari management was on the development of exceptional physical infrastructure. Extensive green lawns and landscape gardening was done to enhance the aesthetic appeal of the place. This was the first step towards creating a tranquil ambience for inspiring creativity. Subsequently, spacious academic and administrative buildings, indoor sports complex, outdoor courts for various games, canteen, hostel accommodation for girls, amenities like common rooms, health care center, day care centre for young children etc were all built to create a platform for students to work and realize their potential. The management is uncompromising in the creation of facilities.

To reinforce the learning environment, the following academic facilities were created:

1. Laboratories with advanced equipment
2. Classrooms with good ventilation and that are ICT enabled.
3. An open access computerized library with sufficient content for exploration.
4. Wi-Fi and internet connectivity which is a much needed tool for the present times.
5. Delnet and National Digital Library.
6. Membership in professional bodies for external linkage.
7. Strong Training and Placement cell.
8. Department associations to help strengthen technical skill sets.
9. Field projects and internships. A key point of focus was pooling the human resources to help students in their progress.

The management made all out efforts to pool qualified faculty, technical trainers for effective laboratory teaching and created all the facilities for them to make the teaching learning process effective.

The distinctive practices that exist in the institute are:

1. Facilitating faculty with access to Wi-Fi, Internet and ICT enabled classrooms.

2. Encouraging faculty for higher education in-service.

3. Mentoring responsibility.

4. Providing access to e-resources and reference books as required.

5. Encouraging to conduct and to participate in workshops/seminars/conferences by providing financial support.

6. Encouraging publications through incentives.

7.Involving staff in participative management such as institute's academic advisory, governing body, technical fests, grievance redressal, anti- ragging committee, women protection cell and the like which take important decisions in the institute.

8. Supporting in extension activities carried out by faculty.

9. Compensating extra working hours through compensatory casual leaves and flexibility in leave sanctioning.

10. Facilitating staff in carrying out 'beyond the curriculum teaching'.

A number of student support systems were established in the institute to provide a value based living possible.

Some such systems are:

1. NSS unit to help establish campus-community linkage and inculcate values of social responsibility and nationalistic feelings.

2. Absence of gender discrimination.

3. Creation of a Student Activity Center promoting all round development.

4. Effective student counseling system to help in addressing personal and professional problems.

5. Encouragement for peer teaching using LCD to help realize their potential.

6. Effective implementation of student appraisal of a teacher for enhancement of quality in teaching.

7. Registered alumni association as a suggestive and motivating system to make the institute lively.

8. Availability of resources for sports & games, yoga training for physical and mental alertness.

9. Effective implementation of all value added courses like gender sensitization that the JNTU, Hyderabad introduces in the curriculum, which bring about ethical transformation in students.

10. Presence of internal communication system of suggestion boxes on the premises.

11. Organization of International conference on innovations discoveries in science, engineering and management (ICIDSEM-2018).

12. Educational and industrial tours for real time exposure.

13. Department events to help develop socializing and academic skills.

14. Responsive supporting staff that make the campus a comfortable learning and living environment.

The institute facilitates the development of communication skills necessary for success through an advanced lab equipped with LCD projector, English language resources, recording facility (camcorder), public address system, prescribed software and a computer assisted language lab.
